

Fund Raising Report 2008-2009

Dear parents, staff and friends of the Lycée Claudel,

For the past year, the Support committee of the Lycée Claudel Foundation has worked to raise funds to support the massive renovation project currently underway at the Lycée Claudel.

Our very first campaign has raised nearly \$100,000.

This paid for new furnishings for the library (the "BCD" and "CDI") including shelving, work tables, computer tables and seating. Thanks to your support, the Foundation was able to gift \$95,000 to the Lycée out of the total cost for the furnishings of \$105 141.47.

Thank you to all the donors whose financial support made this possible. To the parents, staff, institutional partners, businesses and friends of the Lycée, your continued support is much appreciated.

For the Support committee to
the Foundation,
Joëlle Émorine, Provisseure

Fundraising Campaign 2009-2010

Let's Equip Our New Auditorium !

Please help us raise funds to equip our new auditorium. More specifically, we are seeking to raise \$300,000 to purchase 400 retractable seats which will permit multiple uses for the auditorium space while also providing comfortable seating. When the seats are retracted, the space can be used for our childrens' sports activities including judo, wrestling, boxing, fencing and dance.

In the future, we hope to add room dividers to the auditorium to create three distinct spaces for this purpose.

Please find below, details relating to donations and a response card should you wish to help with this project. All gifts donated to the Lycée Claudel Foundation, regardless of their amount, are much appreciated. However, as a special feature of this campaign for the auditorium seats, in recognition of every donation of \$500 (which corresponds to the actual cost of one seat), the Lycée will engrave one seat with the Donor's name. Of course, opting out of this feature and/or complete anonymity can be chosen as well.

We hope that you will support this project and help us in creating a truly multi-purpose venue for our children, artists and athletes alike. We thank you in advance.
