Well, it's a good day for

sing-ing a song and it's a good day for mo-ving a-long Yes, it's a good day, how could

a-ny-thing be wrong, A good day from morn-ing' till night— And it's a good day for

shi-ning your shoes, and it's a good day for lo-sing the blues; E-very-thing to gain and

no-thing' to lose a good day from morn-ing' till night— I said to the Sun, "Good

morn-ing— sun Rise and shine to-day" — You know you've got-ta get go-ing If you're

gon-na make a show-in' — And you've got the right of — way. `Cause it's a good day for

pay-ing your bills; And it's a good day for cu-ring your ills, So take a deep breath Ah! Throw a-

way all your pills; `Cause it's a good day from morn-ing' till night.—
